

# VMock Elevator Pitch

## How-To Guide

Elevator Pitch analyses your interview holistically and instantly reveals hidden crucial information in the body language, enunciation and content. It also allows you to watch your interview and time-aligned feedbacks, making it much easier to understand feedbacks and rectify them.

### KEY BENEFITS

#### NON-VERBAL

Provides feedback on your body language when communicating with others.

#### DELIVERY OF SPEECH

Analyzes how confident you are while communicating with the other person.

#### CONTENT STRENGTH

Focuses on the language you use while communicating with the other person.

### SALIENT FEATURES

- ▶ Get instant feedback on your interview basis your body language, diction and content, which is holistic and not subjective.
- ▶ Watch your interview and time aligned feedbacks. It is easier to improve if you can watch and hear your interview performance along with the feedback.
- ▶ No interview scheduling hassles, no geographical and time constraints. Practice your interview whenever you want, wherever you want. Just practice!
