# V-Mock Career Service

## Who Can Use VMock?

VMock is exclusively available to current CalMU students (undergraduate and graduate) and recent alumni (within 6 months of graduation). It is not available to the general public.

California Miramar University is proud to partner with VMock, a cutting-edge, AI-driven career platform designed to support CMU students in building strong, employer-ready résumés and sharpening their interview skills. Whether you're just starting out or preparing to land your dream job, VMock helps you make every impression count.

### Student Connection

Streamlines feedback so students stay focused and supported.

### Productivity

Delivers personalized, AI-driven help for better learning.

### Institutional Results

Improves student outcomes and post-graduation success.

## Features Include:

- SMART Resume and Editor
- SMART Interviews
- Elevator Pitch
- Mock Interviews
- Resume Optimizer

# 24/7 AI-Video Tutor

## Who Can Use the AI-Video Tutor?

This service is available to all current CalMU students enrolled in online, hybrid, or on-campus programs. It complements faculty instruction and supports students at all levels—certificate, associate, bachelor's, and master's.

California Miramar University enhances the online learning experience with an AI-powered Video Tutor, designed to provide real-time, personalized academic support 24/7. Whether you're reviewing a difficult concept or preparing for an exam, the AI Tutor helps reinforce learning and build confidence outside of class time—making sure you're never studying alone.

### Student Connection

Instant AI support, anytime you need it.

### Productivity

Review and reinforce concepts at your pace.

### Institutional Results

Study smarter with round-the-clock guidance.

## Features Include:

- 24/7 access to AI academic guidance
- Video-based explanations for complex topics
- Self-paced support to reinforce course content
- Complements live faculty instruction
