- After making changes, re-evaluate your resume to get an updated
- optimization score (Note: you only get 20 scans in an academic year).
- Download your optimized resume in a PDF or Word format.

VMOCK SCORING GUIDE

Green Zone – (between 68%-100%): Great going! But there could still be room for improvement. Review the feedback and ensure that you have followed all the suggestions given by the optimizer.

Yellow Zone – (between 34%-67%): You are on the right track. With some focused effort, you can get into the green zone. Incorporate the feedback and improve your match score.

Red Zone – (between 1%-33%): Your resume needs work! Pay attention to the feedback and specific keywords and skills relevant to the job description. Your Goal – reach the green zone
