8. Number of Degrees, Diplomas or Certificates Awarded to graduates scheduled to complete in the reporting year? "Number of Graduates" refers to the number of graduates in the reporting calendar year, who were scheduled to complete in said reporting calendar year. This is on-time grads, 150% grads and anyone else who was "scheduled to complete" in the calendar year.

9. Total Charges for this program? Indicate the total charges, in the reporting year, for the student to complete the program within 100% of the program length. If the total charges fluctuated during the reporting year, indicate the highest amount charged for this program during the reporting year. Total charges include

all amounts paid for the program, including books, uniforms and other charges, if the charges are required for participation in the educational program.

10. The percentage of enrolled students in the reporting year receiving federal student loans to pay for this program. Indicate the percentage of students enrolled in this program who received federal student loans to pay for this program. Divide the total number of students enrolled in this program, who received federal student loans to pay for this program, by the total number of students enrolled in this program.

11. The percentage of graduates in the reporting year who took out federal student loans to pay for this program. Indicate the percentage of graduates from this program, who received federal student loans to pay for this program. Divide the total number of graduates, who in the reporting year, took out federal student loans to pay for this program, by the total number graduates from this program in the reporting year.

12. Number of Students Who Began the Program? Indicate the number of students who were scheduled to complete the program in the reporting year, exclude all students who cancelled during the cancellation period, 5 CCR §74112(d)(1). Institutions with Bureau approved branches and/or satellites locations must combine the total number of students enrolled in all locations.

13. Students Available for Graduation? Indicate the number of students available for graduation in the reporting year for the program being reported. This number should be the number of students who began the program (#12 above) minus the number of students who have died, been incarcerated or been called to active military duty (CEC §94928(f) & (g)).

14. On-Time Completion? Of the students available for graduation (#13 above), indicate the number of students who completed the program within 100% of the published length in the reporting year being reported (5 CCR §74112(d)(2)).

15. Completion Rate? Divide the number of On-Time Graduates (#14 above) by the number of Students Available for Graduation (#13 above).

16. 150% Graduates? Of the students available for graduation (#13 above), provide the number of students who completed the program within 150% of the published program length in the calendar year, this includes "On-Time Graduates" (5 CCR §74112(h)(l)).

17. 150% Completion Rate? If the institution tracks 150% completion rate, provide the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates (#16 above), divided by the number of students available for graduation (#13 above). **A "rate" is a percentage and should never be more than 100%** (5 CCR §74112(h)(l)).

18. Is the above data taken from the Integrated Postsecondary Education Data System (IPEDS) of the United States Department of Education? Indicate "yes" if the information was taken from the data that was reported to IPEDS; Indicate "no" if it was not. If this institution does not participate in Title IV financial aid programs it most likely does not report to IPEDS.

Graduate Identification Data

2024 BPPE Annual Report - Institution - Graduate Identification Data

New Reporting Requirement: California Education Code section 94892.6 requires that institutions approved to operate by the Bureau collect, retain, and report specified information about each graduate completing a program on or after January 1, 2020. This includes identifying information for each graduate along with information about the program from which they graduated and the amount of student loan debt borrowed. Pursuant to Title 5, California Code of Regulations section 74110, beginning in 2022 institutions will report this information to the Bureau annually through the Annual Report submission process.

The AR_LaborMarketData_2024 reporting template linked below includes details about the data required to be reported for each student who graduated from the institution's education program(s) between January 1, 2024 and December 31, 2024. Click on the link to the template and save to your computer to fill out. After adding the required information to the "Data" tab, press the "Select files" button at the bottom of the portal Graduate Identification Data page to upload and attach your completed AR_LaborMarketData_2024 report to the institution's Annual Report submission. Uploaded files must be in Excel or CSV formats.

Please contact Jennifer Jones (Jennifer.jones@dca.ca.gov) with questions about this requirement.
