You will be asked to state why you are entering the U.S. and show your documents. Once you have completed the inspection, an electronic **I-94** Arrival/Departure Record is processed.

Arriving at Your Port-of-Entry Continued

You will need to print your electronic I-94, or it can be done when you check in at CMU. The I-94 will be needed for your student file, Department of Motor Vehicles if you plan on obtaining a California driver license, Social Security Administration, and for Employment Eligibility Verification.

To print the electronic I-94 follow these steps:

- Access the Customs and Border Patrol website at <http://www.cbp.gov/i94>
- Type in the requested data to access your I-94
- Check that your information in the system is correct
- Print out 2 copies of the form-one for your student file and one for yourself

Transportation

The San Diego Transit offers a monthly pass that is valid on all buses (except express buses) and the trolley. The cost is \$72.00 and can be purchased at all Trolley/Coaster/Sprinter station ticket vending machines. A map for the trolley, bus maps, and timetables can be found at:
